

Project SEARCH - Eau Claire

Mayo Clinic Health System

Is your business in need of reliable employees? Project SEARCH interns will be graduating the end of May and looking for employment opportunities. Project SEARCH is a transition-to-work program for young people with disabilities. Graduates have trained at Mayo Clinic for 9-months to develop transferable skills in customer service, attention to detail, and communication. Contact Brenda Swoboda at 715.492.7008 or Natasha Giacomino at 903.721.1816 for more information!

JOB SEEKER PROFILES

Conner

I live in Eau Claire and use the city bus for transportation.

I worked in the following departments during Project SEARCH: Dermatology, Information Technology, Volunteer Services, Healthcare Technology Management and Supply Chain Management.

My career goal is to work in assembly, material handling or working with tools and equipment. I would thrive with a hands-on job.

Emily

I currently live in the Mondovi area.

I worked in the following departments during Project SEARCH: Respiratory Therapy, Volunteer Services and Internal Medicine.

My career goal is to work full time in custodial/housekeeping role or dietary aid in a food service setting. However, I am open to learning new tasks!

Hailey

I live in Rock Falls, and am currently working on getting my driver's license. I am looking for work near home or the Eau Claire area.

I worked in the following departments during Project SEARCH: Scheduling Operations, Central Processing and Anesthesia.

My career goal is to work full time in either a receptionist role, central processing or other clinic/hospital support role.

Hayley

I live in Eau Claire.

I worked in the following departments during Project SEARCH: Laundry, Physical Therapy, Urology, Pharmacy and Dermatology.

My career goal is to work part-time in either a stocking/clerical role or as an animal care assistant.

Jack

I live in Eau Claire and use the city bus for most of my transportation. Eventually, I would also like to get my driver's license.

During my time at Project SEARCH, I worked in the following departments: Supply Chain Management, Food Service and Environmental Services.

My career goal is to get a full time job in material handling, custodial/housekeeping or dining aid.

Los Uej

I live in Chippewa Falls.

During my time at Project SEARCH, I worked in the following departments: Environmental Services, Supply Chain Management, and Inventory Control in the Hospital.

My career goal is to work doing custodial work or stocking. I enjoy being able to work on my tasks independently in a social or team environment.

Natalie

I live in Osseo, but am also open to looking in Eau Claire for a job. I have reliable transportation to either location.

During my time at Project SEARCH, I worked in the following the departments: Volunteer Services, Environmental Services, Cancer Center and Scheduling Operations.

My career goals are to find an almost full-time job in a custodial role that also allows me to build relationships with my coworkers.

Thea

I live in the Chippewa Falls area.

During my time at Project SEARCH, I worked in the following the departments: Endoscopy, Surgical Prep and Recovery, Scheduling Operations, The Goat Coffeehouse and Respiratory Therapy.

My career goals are to find a part-time job in retail, material handling, or patient care. I am excellent at customer service and would like to find a job that allows me to bring people joy.

Thomas

I recently moved to Chetek from Bloomer.

During my time at Project SEARCH, I worked in the following departments: Food Service, Internal Medicine and Laundry.

My career goals are to work part time in either a custodial role, housekeeping or in the hospitality business. I like to be moving on the job.
