## Prevea Health welcomes new round of physicians to residency program

**Eau Claire** – Prevea Health is pleased to announce six new physicians who have joined the Prevea Health Family Medicine Residency program, which operates in Eau Claire and Augusta.

These are physicians who have finished medical school and are ready to participate in specialized, family medicine training for three years. They work under the supervision of experienced faculty physicians and community preceptors to provide direct medical care to patients.

### **New resident physicians:**

- **Michael Fassl, MD**, is from Evergreen Park, IL. He graduated from St. George's University School of Medicine.
- **Taylor Feuling, MD**, is from Hudson, WI. He graduated from the Medical College of Wisconsin – Central Wisconsin (Wausau).
- **Jeremiah Kakes, MD**, is from Medford, WI. He graduated from the University of Wisconsin School of Medicine and Public Health.
- **Shawn Stafki, MD**, is from Perham, MN. He graduated from the University of Minnesota Medical School – Duluth.
- **Samantha Vouyiouklis, MD**, is from Brooklyn, NY. She graduated from Ross University School of Medicine.
- **Danash Raja, MD**, is from Anchorage, AK. He graduated from American University of the Caribbean. Dr. Raja will conduct his residency at the Prevea Augusta Health Center.

“We are excited to welcome these new physicians and their families to the Chippewa Valley and look forward to training them for the future medical needs of our communities,” said [Dr. Joan Hamblin](#), Prevea Health Family Medicine Residency Program Director.
