Anyone interested in donating to these scholarship funds or starting a new fund can consult the Eau Claire Community Foundation website (www.eccfwi.org). To donate, they can search the specific scholarship name on the “About the Foundation/Family of Funds” page. They can also call ECCF at (715) 552-3801.

The Eau Claire Community Foundation is a bridge connecting donors with charities in order to improve quality of life in the Eau Claire area. People do not give TO the Eau Claire Community Foundation; they give THROUGH it.

As a tax-exempt public charity created by and for the Eau Claire community, the ECCF establishes endowments that are invested to provide long-term support for charitable purposes. When the endowment principals earn interest and dividends over time, the earnings are distributed to local non-profit organizations. Since it is a 501(c)(3) organization, the ECCF enables donors to take the maximum deduction for charitable contributions under IRS rules.

Anyone interested in donating can explore the ECCF’s numerous options for contributing to existing funds or creating new ones. Please review the “Powerful Giving” tab for more information.

EAU CLAIRE COMMUNITY FOUNDATION MISSION:

We strengthen our community by offering opportunities to establish charitable legacies, making grants, and by serving as a catalyst to address community needs.
