

La Crosse WI 6/30/2020 — Five Star Telecom, Inc announced today it acquired the Partner Channel Business of Sunrise Communications.

Sunrise Communications headquartered in Springfield MO is a master agent providing the most advanced options for telecommunication services on the market to everyone, everywhere in the USA. Sunrise Communications represents the industries best and most recognizable companies providing customers with multiple options for phone, video, internet, and mobility services.

Five Star Telecom, President Chad Midtlien says “The need for Trustworthy and Objective advice with Carrier neutral affiliations has never been more relevant. We continue to see significant growth in our Agent Channel business and look forward to expanding our services to the Sunrise Communication Channel Partners and customers across the United States.”

#### About Five Star Telecom, Inc

Five Star Telecom has been a trusted source of Communication Services for 45 + years and is one of the largest Carrier Services Master Agents in the country. Five Star Telecom is Renowned for its stellar back office support staff and its extensive industry experience supporting Sub Agents and customers.

Five Star Telecom understands the evolving world of Information Technology and how these services can provide real time solutions for businesses. Five Star Telecom provides Internet, Voice, Networking, Cloud, Wireless, and Video connectivity. Whether the goal is interoffice communication, more bandwidth to run cloud applications, or something in-between, Five Star Telecom’s Carrier Services team will customize a communications plan specific to what customers’ need for their business.
