

CONTINUATION APPLICATION

For organizations who are current holders of Gold, Silver or Bronze Awards

To maintain your status, a Continuation Application must be submitted and approved every 2 years. Bronze or Silver Award holders who wish to upgrade to the next level should complete a full application for the new Award Level sought.

Once submitted, your application will be presented to the Chamber Wellness Review Committee to confirm that your company continues to meet the Award criteria. When approved, you will receive an updated Certificate and be eligible, if you wish, to have an Award Presentation by the Chamber's Health & Wellness Committee. *All information provided will remain confidential.* Questions?
