Eau Claire, WI - 2021 marks 100 years strong for the REALTORS® Association of Northwestern Wisconsin. To commemorate this amazing accomplishment, RANWW is hosting an Open House at its office on Monday, April 26th from 10 a.m. - 3 p.m.

"As an association, we've been through countless challenges, name changes, and jurisdiction expansions in the past 100 years," said REALTORS® Association of Northwestern Wisconsin Executive Vice President Brenda Barnhardt. "It is quite amazing to see the progress the association has made since its inception."

RANWW began as the Eau Claire Real Estate Board in 1921 and went through multiple name changes before settling on the REALTORS® Association of Northwestern Wisconsin in 2003. RANWW members are invited to stop by Monday to learn more about the history of RANWW, enjoy a food truck, and win freebies and prizes.

"Cheers to 100 years of staying true to our mission of advocating for real property rights, advancing professionalism, and connecting members with our communities," said Deb Hanson, RANWW Board President.

The REALTORS® Association of Northwestern Wisconsin is the professional trade association that all professional REALTORS® residing within the association jurisdiction belong to. The association provides educational opportunities for its members, is active in local, state and national advocacy efforts, engages in community outreach through charitable giving, operates its own private foundation to help homeowners in need and remains a positive force for the members they serve.
